Clinician, Saratoga Hospital Center for
Wound Healing and Hyperbaric Medicine
Saratoga Springs, NY

12:00PM-12:15PM	WELCOME/INTRODUCTIONS
12:15PM-1:00PM	Evaluate the prevalence of foot ulcers, the economic burden, and the impact of quality of life for patients living with diabetes.
	Discuss the current clinical evidence and highlight the critical role of the nurse in the care of foot ulcers. Presented by Dot Weir, RN, CWON, CWS
1:00PM-1:15PM	Q&A - BREAK
1:15PM-2:00PM	Examine the link between nutrition status and chronic non-healing foot ulcers in patients with diabetes. Presented by Mary Litchford, PhD, RDN, LDN
2:00PM-2:50PM	Utilize a case study approach to examine the use of a formal nutrition-embedded wound care pathway to optimize nutrition status and support wound healing. Joint presentation by Dot Weir, RN, CWON, CWS and Mary Litchford, PhD, RDN, LDN
2:50PM-3:00PM	Q&A/ADJOURN

WHO SHOULD ATTEND: All healthcare professionals are welcome to attend. Program is accredited for Nurses and Dietitians.

Thursday, September 15, 2022 @ 12:00PM - 3:00PM EST | [REGISTER HERE](#)

Wound Healing and Hyperbaric Medicine
Saratoga Springs, NY

Dot has been a registered nurse many years and has practiced ostomy and wound care since 1980. She is board certified by the Wound, Ostomy, and Continence Nursing Certification Board (WOCNCB) and the American Board of Wound Management (ABWM). She spent most of her career practicing in Orlando Florida, and in 2017 she relocated to New York and currently is a clinician and educator for The Saratoga Hospital Center for Wound Healing and Hyperbaric Medicine. Among many activities, Dot is the Co-Chair of the Symposium on Advanced Wound Care, on the faculty of the Wound Certification Prep Course, and is the Secretary for the International Wound Infection Institute. Dot speaks nationally and internationally on all aspects of wound management, has authored, and co-authored many journal articles and 12 book chapters.
