

## PROGRAM OBJECTIVES

AFTER ATTENDING THIS CONFERENCE, PARTICIPANTS WILL BE BETTER ABLE TO:

- Describe best practices in nutrition that build healthy bones and control reflux symptoms in preterm infants.
- Identify feeding readiness cues and signs of disengagement in the preterm infant and list at least 2 strategies to facilitate improved oral feeding.
- Describe ways to improve success when feeding human milk to preterm infants.

RN: 4 CE<sub>s</sub>

RD: 4 CPEU<sub>s</sub>

WHO SHOULD ATTEND:

Advanced Practice Nurses, Clinical Nurse Specialists, Clinical Nutrition Managers, Lactation Consultants, Mother-Baby Nurses, Neonatal Registered Dietitians, Neonatal/Nursery Nurses, Neonatal Nurse Practitioners, Nurse Educators, Registered Dietitians, Registered Nurses, Labor and Delivery Nurses

## SPECIAL CONSIDERATIONS IN NUTRITION AND FEEDING IN THE PRETERM INFANT

WEBINAR

TUESDAY, AUGUST 29, 2023  
12:00 PM - 4:00 PM CST

SPEAKERS

Sharon Groh-Wargo, PhD, RD  
Andrea Mangino, MS, CCC-SLP

PRE-REGISTRATION REQUIRED

THIS PROGRAM QUALIFIES FOR:  
4 CES FOR REGISTERED NURSES  
4 CPEUS FOR REGISTERED DIETITIANS

Abbott Nutrition Health Institute is approved by the California Board of Registered Nursing, Provider #CEP 11213.

Abbott Nutrition Health Institute is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). CDR Credentialed Practitioners will receive Continuing Professional Education Units (CPEUs) for completion of these activities/materials.

## OUR SPEAKERS

**Sharon Groh-Wargo**  
PhD, RD

Sharon Groh-Wargo PhD, RDN is Professor, Nutrition and Pediatrics, at Case Western Reserve University School of Medicine in Cleveland, Ohio.

Dr. Groh-Wargo has over 40 years of experience as a neonatal dietitian, is a nationally known speaker and researcher, and has authored numerous publications on neonatal nutrition. She is a contributor to all three editions of the Academy of Nutrition and Dietetics' *Pocket Guide to Neonatal Nutrition* and authored a chapter on "Lactoengineering" for the 3rd edition of *Infant and Pediatric Feedings: Guidelines for Preparation of Human Milk and Formula in Health Care Facilities*. She participates in the *BEGIN Project – Breastmilk Ecology: Genesis of Infant Nutrition* - sponsored by the NIH in cooperation with the Academy of Nutrition and Dietetics, which was convened to investigate human milk as a unique biological system. Dr. Groh-Wargo received the Academy of Nutrition and Dietetics' Medallion Award in recognition of her professional contributions.

**Andrea Mangino**  
MS, CCC-SLP

Andrea Mangino is the Manager of Pediatric Speech-Language Pathology at Cohen Children's Medical Center and LIJ Hearing and Speech Center. While there, she developed and continues to improve the pediatric inpatient and outpatient feeding and swallowing program. Andrea is a Pediatric Specialist in feeding and swallowing disorders with advanced training in clinical/instrumental assessment and management of infant and pediatric dysphagia. She is recognized as an expert in swallowing/feeding across the continuum of pediatric settings, including neonates, medically fragile infants, and children with a tracheostomy. Andrea provides lectures on topics including neonatal and pediatric dysphagia, and feeding in the NICU, as well as related topics including speech and swallowing for patients with craniofacial anomalies.

12:00PM-12:10PM	WELCOME/INTRODUCTIONS
12:10PM-1:20PM	Nutritional Management of the Patient with GERD and Preterm Infant Bone Health <b>Sharon Groh-Wargo, PhD, RD</b>
1:20PM-2:30PM	Strategies for the Development of Safe Oral Feeding Among Preterm Infants <b>Andrea Mangino, MS, CCC-SLP</b>
2:30PM-2:45PM	BREAK
2:45PM-4:00PM	Optimizing Human Milk Feeding in the Preterm Infant <b>Sharon Groh-Wargo, PhD, RD</b>
4:00PM-4:20PM	Q&A
4:20PM-4:30PM	EVALUATION/ADJOURN
<p>In addition to completing an online evaluation, participants of our programs can provide feedback directly to CDR at <a href="http://www.cdrnet.org">www.cdrnet.org</a>.</p>
