## **Nutrition Guidelines for Pediatric Providers Caring for NICU Graduates**

### **OBJECTIVES:**

- Review the importance of specialized nutrition for the preterm infant to maximize neurodevelopmental outcomes after discharge.
- Describe best practices and challenges for the healthcare team when planning for discharge using either breastmilk and/or formula products.
- Discuss a case study to illustrate nutritional goals for a typical NICU graduate.

### **MEETING INFORMATION:**

**Date:** Thursday, February 27, 2025

**Time:** 1:00-2:00pm EDT

**Location:** Live Webinar
